Have your say for a safer borough

safe & sound, Dudley's community safety partnership, which incorporates the borough's local police and crime board, is asking local people what should be done to help make the borough a safer place.

People who live, visit and work in the borough will be able to say what they think the big community safety issues are by booking a place at a public event which is taking place on Tuesday 19 March 2024 from 6pm at Stourbridge Town Hall.

There are limited places available so booking is essential.

You can also share your views by completing a short survey.

Feedback will help to inform safe & sound's priority areas of work going forward.

To find out more, book a place at the meeting or to take part in the survey scan the QR code, visit www.dudleysafeandsound.org/have-your-say or call **01384 814735**

The survey closes on Monday 19 February 2024.
